GB Summer List
2020

INTRODUCTION

Dear Collector

Hello from lockdown, we hope you are all safe and well. We also hope that by the time this reaches you things are a little different for everyone and the UK will be on it's a way to opening up again. Here at Stanley Gibbons we have continued to serve our customers in an as usual manner as possible under the conditions, but it will be nice to finally be able to open our new shop, and welcome you back. The situation continues to change but we expect to be fully open again at the beginning of July.

As you are all no doubt aware, the London 2020 show did not take place, although necessary, it was a great shame, but we look forward now to it's rescheduled slot in February 2022.

In other exhibition news, the Autumn Stampex has understandably been postponed, so it may not be until the Spring Stampex in February 2021 that we see many of you.

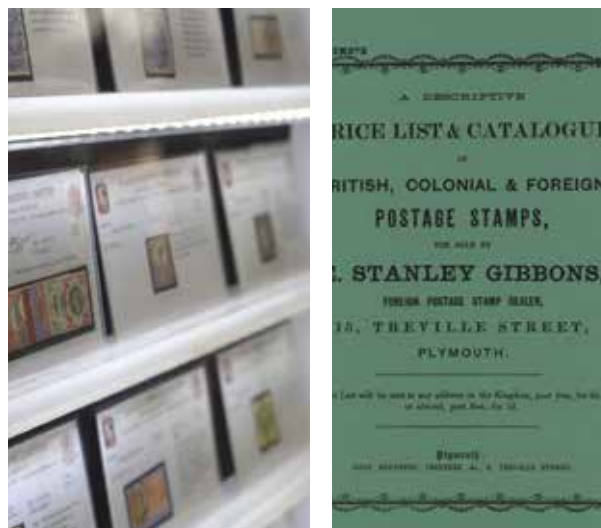

The selection this month features a strong selection of line engraved, particularly penny blacks and penny reds. With the latter of the two, we haven't been able to feature the entire new range of stock, so please do get in touch if you would like further details on these.

Shortly we will be producing a brochure on the newly acquired Official Collection from the late Michael Astley. If you are interested in receiving a copy please let us know. Our contact details are on the next page or you can use the enclosed order form and send it to the printed address.

As our stock is continually changing, please do check the Stanley Gibbons website or share your wants list with us to receive direct offers as soon as new items arrive.

Best wishes to you all.
