## Third Reich Specimen Sets - January 2022

---

Our Commonwealth team have recently added some interesting specimen sets that were reportedly found in the Fuhrer's private study at his Berghof mountain retreat at Berchtesgaden.

### BERMUDA 1937 SG107s/9s Specimen KGVI coronation Set

Stock Code: P223000009

1937 Coronation set of 3, perf 'SPECIMEN' (type D20), fresh large part o.g. Ex Third Reich presentation album of UPU specimen stamps, specially prepared and hand illustrated in 1941, entitled 'Die Raubpolitik Englands im Spiegel der Briefmarke' (The Imperial plunder of England, mirrored in stamps). The album was reported by Stamp magazine (September 1995) to have been found in the Fuhrer's private study at his Berghof mountain retreat at Berchtesgaden by an American serviceman when the war ended in 1945.
